“Assuring firefighters and other responders are emotionally prepared to take care of the public, when the public is having the worst day of their lives, is what keeps fire chiefs up at night – this unique and very affordable solution from Cordico benefits the firefighters, the responders, the public, and the community’s leadership. It’s truly a win-win.”

Chief Billy Goldfeder, Firefighter Safety, Health & Survival Subject Matter Expert
Former Chair of the IAFC’s Safety, Health & Survival Section

“The Cordico app has been a game changer for our fire department. This app puts a wealth of information – most importantly – personal help at our firefighters’ fingertips to keep them mentally healthy. I have received numerous personal “thank-yous” from our firefighters since contracting with Cordico.”

Chief Kris Concepcion
Fire Chief
Vacaville Fire Department

Firefighter suicides outnumber all combined line-of-duty deaths.¹

Firefighters suffer from high rates of mental disorders, with rates of PTSD, depression and heavy drinking continuing to rise in a linear manner with each additional trauma exposure.²

Health care expenditures are nearly 50% greater for workers who report high levels of stress.³
